12:00 Noon- 12:45 PM

Information Management for the Building Life Cycle

Plan sheets, warranties, O&M manuals, maintenance logs, equipment lists, inspection reports, emergency procedures, as-builts: Do you know where each of these documents is located? Could you find them within 10 seconds? Learn how organizing your critical facilities documents into an effective active archive will boost efficiency and team productivity by creating a single-source for your facilities documents accessible from any device wherever you are at any time.

Presented by: Michael Spano, Regional Sales Manager
